

A MEETING OF THE PARISH COUNCIL WAS HELD IN THE  
VILLAGE HALL ON MONDAY 17th JANUARY, 1972.  
AT 8.0.p.m.

- Present Mr.D.M. Lawson, (Chairman), Miss M.I. Fletcher, Messrs S. Eggleston and B. Moore.
- Apology An apology for non-attendance through illness was received from Mr. Bell.
- Minutes The Minutes of the last Parish Council Meeting held on 22nd, November, 1971, were read, confirmed and signed by the chairman.
- Matters arising from these Minutes.  
Warning Lights at School Crossing Point. Letter from the Superintendent of Police, Loughborough, stated that efforts were still being made to obtain the services of a crossing warden. Mr. Moore thought it was possible that this duty could be carried out by the Police, and offered to make further enquiries. This was agreed upon.
- Resignation of Mr.G.A.Hawes. The chairman reported that Mr. Hawes had sent a letter of resignation stating that he considered the Village Hall too cold and draughty for meetings, and that he would not be making any further attendances. It was with regret that the meeting accepted the resignation. Mr. Hawes had been a member of the Council for 12 years, and for 8 of these had held the office of chairman. The clerk was asked to write a letter to Mr. Hawes thanking him for past services to the Parish Council.
- Co-option of new member. It was agreed to fill the vacancy created by Mr. Hawes resignation, and on the proposition of Miss Fletcher seconded by Mr. Eggleston it was agreed that Mr.J.Corrigan be asked if would accept the office.

Estimates for  
1972-3.

General Expenses. The clerk reported there would be a balance in this account on 31.3.72 of approximately £54.00. The annual expenditure being approximately £92.00. Before fixing the amount required for General Expenses 1972-3 Mr. Moore asked if the meeting would review the clerk's salary. After discussion Mr. Moore proposed, seconded by Mr. Eggleston that the clerk's salary be increased from £30.00 to £50.00 per year, and the Rent of Office from £12.00 to £17.00 per year, as from the 1st April, 1972. This was agreed upon and it was decided to Precept for £150 during 1972-3 for General Expenses.

Street Lighting The clerk reported there would be a balance of £894 in the Lighting Account on 31.3.72. this being set aside for the Street Lighting Improvement Scheme on the B676. On the proposition of Mr. Moore, seconded by Miss Fletcher it was agreed to Precept for £200 during 1972-3, this together with the accrued interest would bring the balance up to the £1100 required for the Improvement Scheme.

Proposed Foot-path Diversions. Details of proposed footpath diversions within the Parish had been received from the Barrow Rural District Council. The proposed diversions have been put forward by Mr. Packe-Drury-Lowe to enable footpaths to be easily followed by re-aligning them to follow the remaining hedges and a water course, across the "Prairie Type" farming now being carried out in Burton, Prestwold and Hoton Parishes.

The meeting agreed that the diversions were a sensible solution to the existing footpaths being retained.

The clerk then read a letter from Mr. Hawes in which he strongly objected to the extinguishment or diversion of any footpaths and wished his views to be recorded in these Minutes.

The Council had also received papers and maps from the County Council asking for a Review of all footpaths within the Parish to be carried out. The Review to include proposals for footpaths that might be considered suitable for upgrading to Bridlepaths.

The clerk explained that before any decision could be made regarding the diversion and Review of Footpaths, they would have to be discussed and passed by a Parish Meeting. This had been arranged for Monday 31st, Jan. 1972.

Any other  
business  
Local Government  
Bill, Planning  
Notification.

A request had been received from the Leics. Assc. of Parish Councils for support in the campaign for early notification of planning and development proposed by the County and Rural District Councils.

It was agreed to give this support and the clerk was asked to write to the Secretary of State for the Environment and to the Local Member of Parliament.

Footpath in  
Seymour Road.

The clerk reported that Mr. Branston had informed him that work on making a footpath in front of the Council Houses in Seymour road would commence this year.

Council House  
Garages, Seympur  
Road.

A report in the Minutes of the Barrow R.D.C. stated that land was being purchased in Seymour road, for the erection of garages for the tenants of the Council Houses. This would obviate the present practise of parking in what is a very narrow road.

There was no further business and the chairman closed the meeting.

  
13. 3. 72.

A SPECIAL PARISH MEETING WAS HELD IN THE VILLAGE  
HALL ON MONDAY 31st. JANUARY, 1972 AT 8-0 pm.

Present

Mr.D.M.Lawson,(Chairman) MissM.I.Fletcher,  
Messrs. J.R.Bell, J.Corrigan, and S.Eggleston,  
together with eleven local government electors.

Apology

An apology for non-attendance was received from  
Mr.B.Moore.

Business of  
the meeting

The Chairman explained the reasons for which the  
meeting had been called.

1. A local farmer at Prestwold had discussed with the  
County Council and the Leicestershire Footpaths  
Association the possible re-routing of footpaths going  
through his land to cater for his new system of  
farming.
2. Under the Countryside Act of 1968, the County Council  
was required to carry out a Special Review of the  
Definitive Map and Statement. The County Council  
requested the help of Parish Councils in carrying out  
this Review. In the Special Review Parish Councils  
were asked to consider any footpaths which could be  
upgraded to bridlepaths or from bridlepaths to byways  
open to all traffic. Any upgradings would have to be  
accompanied by a statement giving the reasonsfor which  
the upgrading is proposed and the names and full postal  
addresses of up to six people who can support it.

The Chairman asked that the proposed footpath diversions  
as indicated on the maps displayed at the meeting be  
discussed first.

Mr.Hawes strongly expressed his disapproval of any  
footpath being diverted or closed.

H99A. Burton to the B676. (Through Prestwold Park).

The proposal made by the Prestwold Farms Estates was  
for this path to follow the water course on the South  
side. Only the beginning of the path is in the Burton  
Parish. After considerable discussion it was agreed  
to accept this diversion

H99. Prestwold to Walton-on-the-Wolds/Burton-on-the-Wolds Junction.

The proposal made by the Prestwold Farms Estate was for the section of this path from the Old Burton School to Prestwold Church to be closed, and the footpath alongside the B676 to be used instead. Although this path is in the Prestwold Parish, the meeting strongly opposed the closure and recommended that the path through Prestwold Park be retained along its existing line.

H98. Prestwold to Walton-on-the-Wolds.

The meeting agreed with the diversions on this path except for the section at the Old Burton School end. Instead of the path terminating on the B675 it should cross over at the rear of the school along the existing line of the path and terminate at its original point on the B676. This will maintain the original link with the path H99 across Prestwold Park to the church.

I2. Burton Bandalls to the B676 and Prestwold Church.

The proposed new path replaces the one from Burton Bandalls to the Old Burton School and will follow the watercourse on the North side from the Barrow to Cotes road up to the B676. It was agreed to accept this new path which will be a continuation of path H99A. The lower part of the original path from the Barrow to Cotes road up to the Burton Bandalls farm is a bridlepath and it was the wish of the meeting that the equivalent section on the new path i.e. from the Barrow to Cotes road up to the junction with path I1 should have the same classification.

I1. B676 to the Junction with I2.

It was agreed to accept this new path to replace the existing one from the Home Farm to the I2.

Rights of Way,  
Special Review.

The meeting agreed that the following footpaths be upgraded to bridlepaths.

H97. Burton-on-the-Wolds to Walton-on-the-Wolds.

The section from the Barrow road to the parish boundary on the Walton Brook to be upgraded to a bridlepath. The meeting also recommended that the continuation of this path H97A in the Walton parish be made a bridlepath.

I2. Burton Bandalls to the B676.

The section from the Barrow to Cotes road up to the junction with path I1 is already a bridlepath and the meeting asked for the remainder of the path up to the B676 to be upgraded to a bridlepath.

H91 and H92A. Burton-on-the-Wolds to Prestwold.

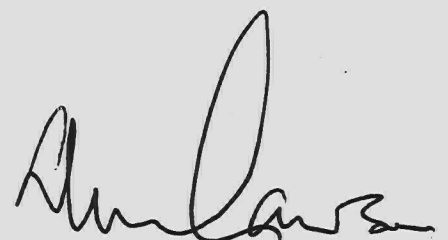

H91 which enters the Prestwold parish at the end of Seymour road is already a bridlepath. At the present this path terminates at the Wymeswold Airfield boundary fence. At this point footpath H92A bears left for Prestwold. It was agreed to ask if this footpath could be upgraded to a bridlepath to replace the section of H91 which was closed by the Air Ministry.

H98A. Barrow Road, Burton-on-the-Wolds to the B675.

This is an existing footpath following the line of a farm access road. It was agreed to ask for this to be upgraded to a bridlepath.

The remaining footpaths in the Parish are as shown on the Definitive Map, one copy of each being returned to the Barrow-upon-Soar Rural District Council.

This concluded the business and the Chairman closed the meeting.

13. 3. 72

A MEETING OF THE PARISH COUNCIL WAS HELD IN THE  
VILLAGE HALL ON MONDAY, 13th. MARCH, 1972.

AT 8-0.p.m.

- Present. Mr.D.M.Lawson,(Chairman), MissM.I.Fletcher, Messrs.  
J.R.Bell, S.Eggleston, and B.Moore.
- Apology. An apology for non-attendance was received from  
Mr.J.Corrigan.
- Minutes. The Minutes of the Parish Council Meeting held on  
17th. January, 1972, and of the Special Parish Meeting  
held on 31st. January, 1972, were read, confirmed and  
signed by the Chairman.
- Matters arising. From the Special Parish Meeting - Nil.  
From the Parish Council Meeting - The following:-
- School Crossing  
Point. Mr.Moore reported having made several enquiries  
regarding the Police carrying out the duties of a  
Crossing Warden, but unfortunately had had no success.  
The Chairman reported that the Police were still  
advertising for a person to undertake these duties  
and felt that there was little more the Parish Council  
could do in the matter. It was agreed that all  
relevant facts concerning this problem should be  
explained to the forthcoming Annual Parish Meeting.
- Co-option of new  
Member. A letter had been received from Mr.J.Corrigan  
thanking the Council for nominating him to fill the  
vacancy, which he was pleased to accept. Unfortunately  
Mr.Corrigan was unable to attend his first meeting due  
to a prior engagement.
- Local Government  
Bill, Planning  
Notification. Letter from the local Member of Parliament, Miss  
Mervyn Pike, stated that she would take the Council's  
views into account.
- Correspondence.  
Group Savings. Letter from the Chairman of the National Savings  
Committee asking for Parish Councils to help in the  
campaign to increase the number of Street Saving  
Groups. It was agreed to read this letter at the  
Annual Parish Meeting

Cheshire Homes  
Foundation.

Letter from the Clerk of the Rural District Council concerning the proposed acquisition of Roecliffe Manor by the Cheshire Homes Foundation. It was hoped that each village would be able to persuade a group of people to work on behalf of the Foundation. It was agreed to place this letter before the Annual Parish Meeting, and also to arrange for the contents of the letter to appear in the next issue of the Parochial Magazine "The Link".

Increased  
Electricity  
Charges

Letter from the East Midlands Electricity Board giving six calendar months notice of an increase of 5% for the supply of electricity and services.

Cheques.

The following cheques were authorised and signed.

Subscription to the Council for the Protection of Rural England for 1972.	£01.00.

Any other  
business.  
Playing Field  
and Recreation  
Areas.

Mr.Moore referred to Appendix C in the Minutes of the Rural District Council General Purposes Committee Meeting dated 24th.January,1972, concerning Playing Field and Recreation Areas.

The General Purposes Committee was recommended to consider the purchase of land for recreation and playing fields, and that upon such land being acquired it would be leased to Parish Councils to landscape and layout for such playing field and recreational purposes as were appropriate.

Mr.Moore pointed out that the Parish Council had been relieved of the obligation to either purchase land for a playing field or leasing land from the Rural District Council by the action of the Burton Playing Field

Committee

in purchasing land for this purpose. Mr. Moore suggested that the Parish Council should consider the possibility of giving financial help to the Committee to enable <sup>it</sup> to add to the amenities of the Playing Field. The Chairman thought that the views of the Annual Parish Meeting should be obtained before any decision was made in this matter.

Railed enclosure  
Melton road.

Miss Fletcher referred to the untidy state of the enclosed piece of ground alongside Melton road. This was due to the County Council being unable to get on to the area with the mechanical mowing machine. Miss Fletcher had obtained the views of residents living near this area, and there was no objection to the railings being removed. The clerk was asked to write to the Area Surveyor asking if it was possible to remove the railings to enable maintenance work to be carried out on this area.

There was no-further business and the Chairman closed the meeting.

*Moore.*  
24 May 1972.

THE ANNUAL PARISH MEETING WAS HELD IN THE VILLAGE HALL  
ON MONDAY, 20th. MARCH, 1972. AT 7-30 p.m.

Present

Mr.D.M.Lawson (Chairman) MissM.I.Fletcher,  
Messrs. J.Corrigan, S.Eggleston, B.Moore, and 20 local  
government electors.

Also attending by invitation was the Deputy Clerk of  
the Barrow-upon-Soar R.D.C. Mr.Storey, and the County  
Council Representative for the Parish Mr.T.A.S.Branston.

Minutes

The Minutes of the last Annual Parish Meeting held on  
Thursday, 25th. March, 1971, were read by the Clerk and  
on the proposition of Mr.Priest, seconded by Miss Fletcher  
it was agreed that they should be signed as correct.

Matters arising  
30m.p.h.  
restriction  
Barrow road

No progress had been made since the last Parish Meeting.  
Mr.Moore referred to the efforts made by the Parish  
Council during the past year, and stressed that it was  
the County Council Highway Committee's responsibility  
to extend the 30m.p.h. restriction. In reply Mr.Branston  
re-affirmed that the Highway Committee was working  
rigidly to the "Criteria" governing speed limits  
restrictions. After a lengthy discussion it was agreed  
that a petition from the parents of children attending  
the County School be sent to the County Council's  
Highway Committee in a further attempt to get the  
Criteria relaxed to allow the restriction to be  
extended beyond the County School. Mr.Branston  
accepted this and offered to present the petition to the  
Committee personally.

Street Lighting  
Improvement  
Scheme B676

It was reported that sufficient money was now available  
in the Street Lighting Account to carry out this scheme.  
Mr.Branston confirmed that it was almost certain that  
the Parish Council would be eligible for a grant from  
the County Council towards the cost of the new lighting.  
This would result in a surplus remaining in the Lighting  
Account after this final section of street lighting  
had been adopted by the County Council. It was  
explained that the District Auditor would allow this  
money to be spent on other projects provided it was of  
benefit to the whole community.

Mr. Moore made a formal proposition that any money remaining in the Lighting Account after the completion of the Improvement Scheme should be spent on the amenities of the village. This was seconded by Mr. Rushby and agreed upon unanimously.

Mr. Betts asked informally if the Parish Council would consider favourably the Playing Field Committee when discussing any surplus funds. Mr. Corrigan mentioned the need for money to be spent on the Village Hall.

Village Hall and  
Maintenance

There were several questions asked concerning the Village Hall and the need for emergency repairs. Mr. Rushby asked for a meeting to be called as soon as possible to discuss the maintenance of the Village Hall. The Chairman in his capacity as a retiring Trustee agreed to do this.

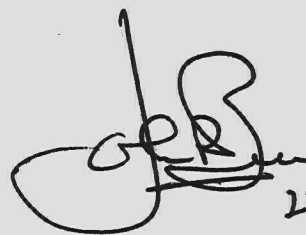

National Savings

A letter from the National Savings Committee was read to the meeting asking for volunteers to undertake Street Savings Groups.

Cheshire Homes  
Foundation  
Roecliffe Manor

A letter was read from the Rural District Council in which it was requested that a group of people in each village might work to raise funds for this Foundation. It was suggested that details of this request be reported in the Parochial Magazine, The Link.

There was no further business and the Chairman closed the meeting.

16.3.73

THE ANNUAL MEETING OF THE PARISH COUNCIL WAS HELD IN  
THE VILLAGE HALL ON WEDNESDAY, 24th. MAY, 1972,

AT 8-Op.m.

Present	Mr.D.M.Lawson,(Chairman),MissM.I.Fletcher, Messrs.J.R.Bell,J.Corrigan,S.Eggleston, and B.Moore.
Acceptance of Office.	Forms of Acceptance of Office were signed by each member of the Council
Election of Chairman.	The retiring chairman, Mr.Lawson opened the meeting and asked for nominations for chairman for the ensuing year.  1. Mr.Bell was proposed by Mr.Moore and seconded by Mr.Eggleston. Mr.Moore was proposed by Mr.Bell and seconded by Miss Fletcher. Before votes were taken on these two nominations Mr.Bell withdrew his nomination in favour of Mr.Moore. There were no further nominations and the meeting agreed that Mr.Moore be chairman for 1972-3. Mr.Moore thanked the meeting for his appointment and accepted the office.
Vote of thanks to the retiring Chairman.	On the proposition of Mr.Bell the chairman thanked Mr.Lawson for his services to the Council as chairman, Mr.Lawson having held this office for the past five years.
Election of Vice-chairman.	On the proposition of Mr.Eggleston, seconded by Miss Fletcher, Mr.Bell was elected vice-chairman.
Delegates to Leics. Assc. Parish Councils.	It was agreed that the Chairman and the Clerk should continue to attend the meetings of the Leicestershire Association of Parish Councils.
Parish Council Elections, Late Nomination Paper	The clerk informed the meeting of a letter received from the clerk of the R.D.C. explaining the position with regard to Mr.Moore's nomination paper which had unfortunately arrived too late for the Parish Council Elections. Mr.Corrigan asked that the relative paragraph in the letter be included in these Minutes.

Extract from letter dated 20th. April, 1972.

" I refer to your telephone conversation with Mr. Storey today and enclose notice of the number of candidates elected in respect of the Parish Council Election for Burton-on-the-Wolds. You will note that only five candidates have been nominated for the six seats, and I understand that these are all retiring members of the Parish Council. The sixth member whose nomination paper I believe you received late is in fact deemed to be re-elected under Article 13(4) of the Parish Council Elections Rules 1970."

Minutes.

The Minutes of the Parish Council Meeting held on 13th. March, 1972, were read, confirmed and signed by the Chairman.

Matters arising.  
Enclosed Wayside  
Grass Verge.

Letter from the Area Surveyor stated that it was not advisable to remove the railings from this verge as this would then become a parking area causing damage to the culvert underneath. The Area Surveyor promised to have this area hand mown to keep it tidy. Miss Fletcher agreed to keep this under observation.

Correspondence  
Playing Fields and  
Recreation Areas.

Letter from the R.D.C. giving details of the Council's recently established policy to purchase land for recreational purposes and to then re-convey or lease it to Parish Councils. The Parish Council was asked to fill in a questionnaire giving details of the requirements for playing field facilities within the Parish. The clerk was instructed to give details of the already established Playing Field under the control of the Burton-on-the-Wolds Playing Field Committee.

Payment of Playing  
Field Mowing Charges  
by the Parish  
Council.

Mr. Bell then proposed that the Parish Council pay the annual mowing charges on behalf of the Playing Field Committee. This was seconded by Miss Fletcher. Mr. Lawson then moved an amendment that this grant be limited to 50% of the total annual mowing charges, this was seconded by Mr. Corrigan. The amendment was voted upon first and received two votes.

The original proposal was then voted upon and received 3 votes and was carried.

The clerk was instructed to inform the secretary of the Burton Playing Field Committee that commencing this year the Parish Council will pay the total annual mowing charges of the Playing Field.

Noise Disturbance A letter had been received from Mr.I.S.Davies, 13,Hall Wymeswold Airfield. Drive, Burton-on-the-Wolds, complaining of the noise made by motor vehicles on Wymeswold Airfield.

Enquiries had revealed that people taking motor vehicles on to the airfield were trespassing and that the Land Agent who was responsible for the airfield was concerned about it and was taking action to have the illegal use of the airfield stopped.

In the meantime the Council agreed that any undue disturbance should be reported to the local Police.

Ashmount Swimming  
Pool Appeal.

It was agreed not to make a grant to this Appeal.

Annual County  
Service Leicester  
Cathedral.

An invitation to all members of the Council to attend this service had been received from the Clerk of the County Council. Mr. Lawson stated that he had received a separate invitation and would be attending. No other members of the Council wished to attend.

Employer's  
Liability  
(Compulsory Insurance)  
Act,1969.

National Circular No 289 received from the National Association of Parish Councils stated that people employed by Parish Councils (including the Clerk) must be insured by the Council. The clerk had obtained the appropriate proposal form from the Cornhill Insurance Company which required a minimum annual premium of £1.50. This was agreed upon and a cheque for this amount authorised.

Tenth National  
Conference of  
Parish Councillors,  
London.

It was agreed not to send a delegate to this Conference.

Sewerage Plant.

Plans together with details of the proposed alterations and extensions to the Burton-Walton Sewerage Plant had been received from the Rural District Council. Provision was being made for the sewage from Wymeswold to be pumped to the Burton sewerage plant, and the extension of the pumping station and sewerage plant at Burton.

No objections were raised to the plans and it was agreed to accept the proposed scheme.

The Chairman offered to have the plans available at his residence for anyone wishing to inspect them. This was agreed upon.

Prestwold Parochial Charities.

Copies of the Statement of Accounts for the year ending 31st. December, 1971, for these Charities were presented to the meeting.

Chairman's Report  
on the Village hall

The Chairman reported on Village Hall Management Committee meetings held prior to this meeting.

The proposed plans to build a new village hall on the Playing Field were not possible due to lack of grant aid.

The alternative plans to renovate and extend the existing village hall were now being investigated.

A MEETING OF THE PARISH COUNCIL WAS HELD IN THE  
VILLAGE HALL ON MONDAY, 9th. OCTOBER, 1972,  
AT 8-0 p.m.

Present.

Mr.B.Moore, (Chairman), MissM.I.Fletcher,  
Messrs. J.R.Bell, S.Eggleston, and D.M.Lawson.  
Mr.T.A.S.Branston, County Council Representative  
attended by invitation.

Apology.

Apology for non-attendance was received from  
Mr.J.Corrigan.

Minutes.

The Minutes of the Parish Council Meeting held on  
21st. August, 1972, having been previously circulated  
were confirmed as correct and signed by the Chairman.

Matters arising.

Village centre.

In welcoming Mr.Branston to the meeting, the chairman  
explained that Mr.Branston wished to discuss the  
problems of the village centre with the Council and  
in particular obtain the Council's alternative  
proposals. Previous proposals including traffic  
lights, road widening, and a by-pass were discussed  
at great length.

The chairman's view that the proposal of the County  
Council to demolish Mr.Wheeler's shop to obtain  
increased vision was that this would only be a  
compromise and was not a complete solution to the  
problem and would only result in the speeding up of  
traffic along the B676. The chairman stated that  
unless a completely satisfactory solution could be  
found the village centre should not be altered.  
On the proposition of Mr.Bell, seconded by Miss  
Fletcher, it was agreed that a Parish Meeting be  
called to enable this problem to be more widely  
discussed.

In order to make the date and Agenda of the Parish  
Meeting as widely known as possible it was agreed to  
deliver handbills to the residents throughout the  
village.

Mr.Branston agreed to arrange for an official from  
the County Council's Highways Department to attend  
this meeting. Mr.Branston also suggested that the  
Council meet an official of the County Highways  
Department in the Village Square prior to the Parish

Meeting. This was arranged for Thursday, 19th. October, at 4-30p.m.

A vote of thanks was proposed by Mr.Bell to Mr. Branston who then left the meeting.

Car Port.

No objections were raised to these applications apart from Nos.1545/72 and 1663/72.

The Council requested that permission for these two applications be withheld until a main sewer is laid along Barrow Road.

Bus Shelter.

Letter from Mr.Saunders drawing the Council's notice to the unpleasant state of the bus shelter. The clerk reported that upon receipt of this letter arrangements were made to have the offensive writings removed and the shelter treated with cuprinol. This had now been carried out.

Mr.Saunders also expressed a wish to meet the Council to discuss the possibility of having the shelter moved from its present position, stating that he had already discussed this proposal with the Area Surveyor.

On the proposition of Mr.Bell, seconded by Mr.Lawson it was agreed to invite Mr.Saunders to the next meeting to be held in November.

Local Government  
Re-Organisation  
Boundary Commission

Following a request by the Rural District Council for all Parish Councils to support the Rural District Council in its campaign to remain a separate unit in the forthcoming Re-organisation, letters had been sent to the Boundary Commission, the local member of Parliament, and to the Rural District Council supporting the R.D.C. in its campaign.

## Proposed Plans for the Village Centre

Following a request sent from the last meeting to the Leicestershire Branch of the Council for the Protection of Rural England, a reply had been received from the Hon. Conservation Officer and member of the Executive Committee of the Leicestershire Branch Mr.R.W.Grigson. In his reply Mr.Grigson agreed with the proposals outlined by the County Council as being the best solution to the problem, namely the demolition of Mr.Wheeler's shop.

Dangerous bend on the B676.

Mr. Eggleston reported the regular occurrence of road accidents on the long bend against his farm on the B676. It was agreed that a letter be sent to the Area Surveyor making a request for some form of warning of an accident area.

## Litter Bins for the Playing Field.

The chairman had received a request from the Secretary of the Playing Field Committee for the Parish Council to apply to the Rural District Council to provide litter bins for the Playing Field.

It was agreed to ask the Rural District to provide three litter bins.

Cycling on  
Pavements.

Mr. Lawson reported that children were cycling on the pavement in Huntingdon Close. It was felt that in view of the danger from traffic it was preferable that small children with cycles should keep on the footpaths. It was agreed that if this became too much of a hazard to pedestrians on the footpaths the children's parents should be informed.

There was no further business and the chairman closed the meeting at 10-35.

27. 11. 72.

A SPECIAL PARISH MEETING WAS HELD IN THE VILLAGE HALL  
ON MONDAY, 30th. OCTOBER, 1972, AT 8-0 p.m.

The Chairman of the Parish Council Mr.B.Moore presided and 110 local government electors were present. Also attending by invitation were the Chairman of the Leicestershire County Council Highways Committee, Ald.E.Jarvis, the Senior Assistant County Surveyor, Mr.C.H.Abbey, and the County Council Representative for the Parish, Mr.T.A.S.Branston.

The Chairman opened the meeting by introducing the visitors and thanking them for their attendance, and also extended a welcome and thanks to the large number of the electorate attending the meeting. The Chairman also thanked the Ratepayers and Residents Association for the assistance he had received.

Purpose of meeting    The Chairman explained that the purpose of the  
Proposed alterations    meeting was to make quite clear to the County  
in the Village    Council the views of this meeting concerning proposed  
Square.    alterations in the Village Square.

The Chairman then went on to give an outline of meetings and correspondence which had taken place between the County Council and the Parish Council from 1965 up to the time of this meeting.

With the aid of large scale maps projected on to a screen the meeting was shown the County Council's proposed plans for obtaining improved vision and the amount of demolition that would be involved.

The County Council had asked the Parish Council to put forward its own proposals to solve the problem.

The following schemes were considered:-

1. Traffic Lights.
2. Roundabout.
3. One Way System.
4. Complete straightening of the B676.
5. A complete by-pass of the village.
6. Pedestrian Bridge or Sub-way.

None of these proved to be feasible either through cost, involving too much demolition of property, or not meeting the requirements of the criteria laid down by the Ministry of Transport.

The Parish Council had therefore agreed that until the County Council could put forward a scheme which would make the crossing in the village centre safe both for pedestrians and vehicles and at the same time preserve the rural scene, then the centre should be left unaltered.

The Chairman then made the meeting open for discussion. Mr.Bell stated it was the wish of the village for traffic to be slowed down, and that in his opinion any attempt at straightening the road would lead to the speeding up of the traffic. The village was also greatly concerned at the proposed demolition of Mr.Wheeler's shop, which was a valued amenity of the village.

Mr.Wheeler said he would not agree to the demolition of his shop and asked if the County Council would provide him with alternative property. Mr.Abbey replied, "No". Mr.Bell suggested that if the increased rate of traffic flow was maintained, the requirements laid down by the Ministry of Transport for Traffic Lights would be met in approximately two years. Mr.Abbey stated that this did not necessarily follow and that the average rate of increase of traffic was 7%.

Mr.Oldham suggested that the installation of Traffic Lights would also involve the demolition of property. Mr.Abbey stated that this was possible.

Replying to a suggestion by Mr.Ryder that mirrors might be used, Mr.Abbey stated that it was not the policy of the County Council to use mirrors at cross roads.

Mr.Wyles asked if raised strips could be fitted across the road at each end of the village. Mr.Abbey said this was not at all possible due to the danger to traffic.

Dr.Siddall emphasized the importance to retain the rural scene in the village.

Mr.Abbey was asked if he could give details of the County Council's proposals.

Mr.Abbey said that this was not possible as no details had yet been submitted to the Highways Committee.

The County Council had several alternative proposals, one of which was to make no alterations at all to the village centre.

The Chairman then asked Mr.Jarvis if he wished to make any comments. In replying Mr.Jarvis said he was delighted at the large attendance, although he did not agree with all that had been said. It was generally

felt that traffic lights were the answer to this problem, but Mr.Jarvis said that the installation of these would still involve the demolition of property. He promised that whatever resolution was passed by this meeting it would be considered by the County Highways Committee. He nevertheless stated that the County Council could go ahead with any minor improvement they considered essential notwithstanding any resolution that might be passed at the meeting. Mr.Jarvis then left the meeting after a vote of thanks by the Chairman for his attendance.

The Chairman then reviewed all the proposals for the solution of this problem, and stated that the main concern was to protect the pedestrians and and make the villagecentre safer and at the same time preserve the rural scene.

Proposal.  
Village Square.

Mr.C.Betts then proposed, seconded by Dr.R.M.Sidwell, "That this meeting cannot offer a suitable alternative scheme to make the village centre safe for pedestrians and traffic, and that the County Council do nothing until they can produce a satisfactory scheme which will satisfy all the safety requirements, and at the same time retain the rural scene".

This was put to the vote and was carried unanimously.

Proposal.  
Seymour road and  
Brook street.

In order to avoid the dangerous exit from Seymour road on to the B676, the Chairman explained a proposal the Parish Council had considered. This was to make Seymour road and Brook street One-Way with an exit from Brook street to the B676 at the East end of the village. This was discussed and Mr.Oldham proposed that instead of Seymour road and Brook street being made One-Way the proposal should be amended to No Exit from Seymour road on to the B676, the exit being at the end of Brook street. This was seconded by Mr.G.Hawes.

This proposal was voted upon and received 30 votes, there being 4 against.

These two resolutions to be forwarded to the County Council for consideration at the November meeting of the Highways Committee.

The Chairman thanked Mr.Branston and Mr.Abbey for their attendance and declared the meeting closed.

A MEETING OF THE PARISH COUNCIL WAS HELD IN THE  
VILLAGE HALL ON MONDAY, 27th. NOVEMBER, 1972,  
AT 8-0 p.m.

Present.

Mr.B.Moore, (Chairman), Miss M.I.Fletcher,  
Messrs. J.R.Bell, J.Corrigan, S.Eggleston, and  
D.M.Lawson.

Minutes.

The Minutes of the Parish Council Meeting held on  
9th.October, 1972, having been previously circulated  
were confirmed as correct and signed by the Chairman.

Matters  
arising.

Bend near Horse Leys Farm.

Letter from the Area Surveyor stated that the white line  
on this bend was being renewed, SLOW is being painted on  
the road surface, a BEND sign is being erected and  
additional reflector posts installed.

On the proposition of Mr.Bell it was agreed that a letter  
be sent to the Area Surveyor thanking him for his prompt  
action in dealing with this matter.

Litter Bins on Playing Field.

Letter from the R.D.C. Engineer, Mr.Anderson stating  
that the three Litter Bins had now been installed on  
the Playing Field.

It was agreed that a letter of thanks be sent to  
Mr.Anderson.

Correspondence

Proposed alterations in the Village Square.

Letter from the County Engineer and Surveyor acknowledging  
the one sent from the Special Parish Meeting held on  
30th. October, and stating that the views expressed in  
that letter will be considered at the Highways Committee  
meeting in December.

Bus Shelter.

Mr.Saunders had been invited to attend this meeting to  
discuss the proposal put forward by him for the Bus  
Shelter to be moved. Unfortunately Mr.Saunders was away  
from home and unable to attend.

The Clerk reported that on the advice of the Area  
Surveyor he had asked Mr.Saunders to submit a plan  
showing the shelter in the proposed new position.  
Up to the time of this meeting this had not been received.  
It was agreed to leave this matter in abeyance and  
await a reply from Mr.Saunders.

Correspondence  
cont'd.

Prohibition of Waiting, Seymour road, Barrow road.

Letter from the County Engineer and Surveyor together with a map, Drg. No.7099/14/1, showing prohibition of waiting in Seymour road and Barrow road.

A request was made for any observations to be sent to the County Engineer within one calender month.

After discussion the meeting agreed with the proposed prohibition of waiting indicated on the map for Seymour road.

An inspection of Barrow road was then made and the following amendment proposed by Mr.Corrigan was agreed upon.

The section of road from the "Stop" sign adjacent to Mr.Wheeler's shop to the Bus stop sign adjacent to Mr.Corrigan's house to have a limited waiting time. This would make provision for the existing Bus stop and at the same time permit the delivery and collection of goods from Mr.Wheeler's shop.

On the opposite side of Barrow road it was agreed that a similar section of limited waiting be recommended.

This to extend from the Bus stop sign at the Hall Drive entrance to the small triangular inspection cover in the road near to the entrance gate of the Mission Church.

Apart from these two amendments the meeting agreed with the remainder of the Prohibited Waiting in Barrow road.

The Clerk was asked to write and convey these proposals to the County Engineer.
